# RIFT

Overview

You switch back and forth between two characters –

1. A man (Nathan) trying to investigate his mother's disappearance 20 years ago

2. A little girl (Lex) who lives with her mom, half sister, and stepfather

Investigate your way to find some answers for Nathan and how Lex and Nathan's lives are connected in a bizarre way.
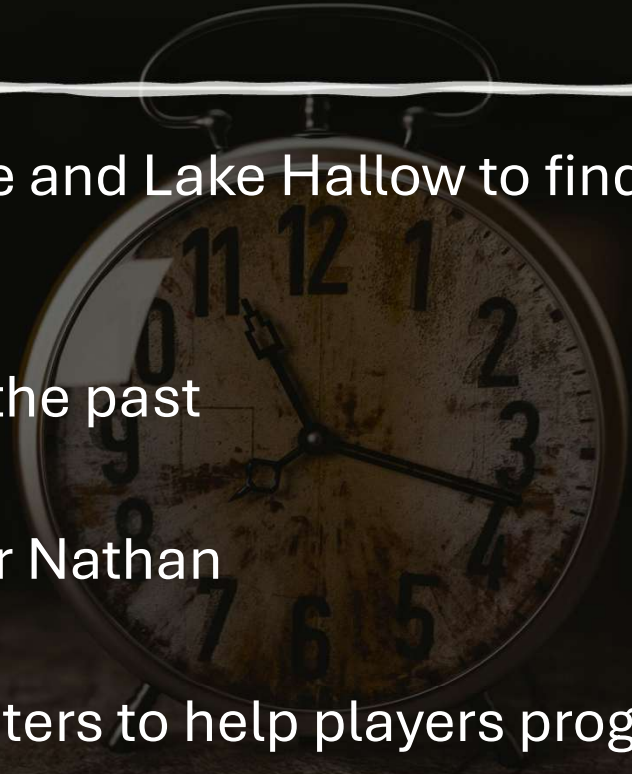

Genre

- Adventure
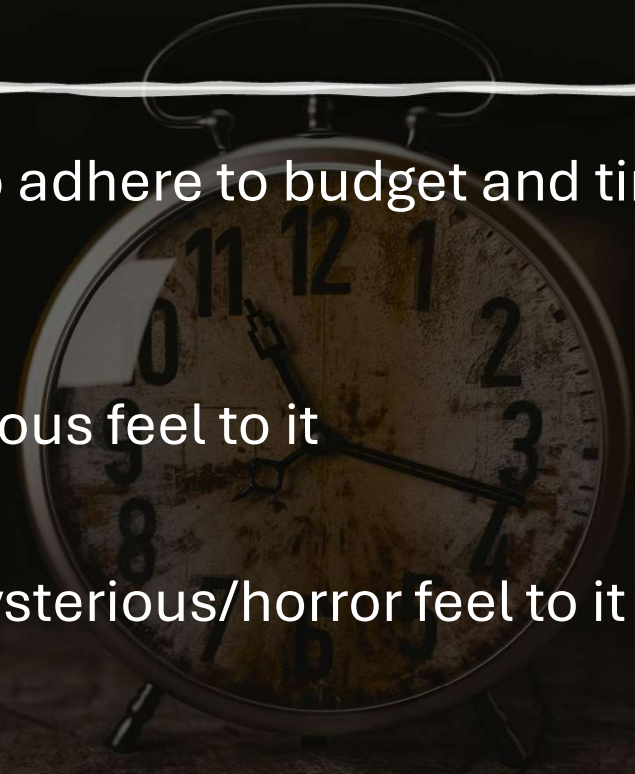

- Mystery

- RPG

Gameplay

- Explore the small town of Hallowridge and Lake Hallow to find clues

- Find the time rift that will take you to the past

- Solve the mystery and get answers for Nathan

- The game will switch between characters to help players progress in the story

Art Style

- The art style will be low-poly 3D art to adhere to budget and time constraints

- The lake will have a gloomy and ominous feel to it

- The background music will have a mysterious/horror feel to it

Thank You!
